

An Essential Tool for Maximizing Your Beverage Program

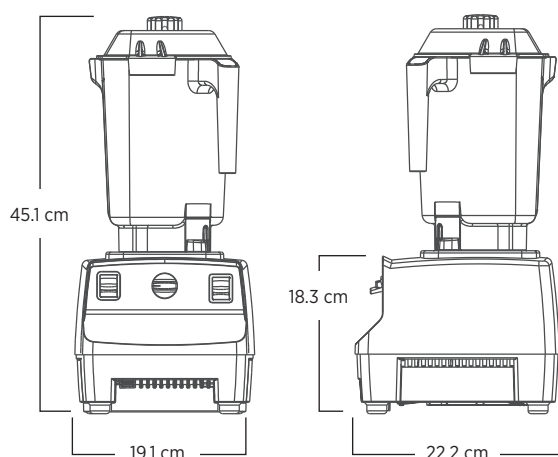

From smoothies to frozen cocktails, the Drink Machine Advance is an essential tool for adding or expanding a blended beverage program in any bar, restaurant, or cafe.

Smart Product Design

- 6 optimized programs and automatic shut-off means you can turn it on, walk away, and achieve consistent results
- Pulse Control provides off-menu flexibility to fine tune recipes
- 1.4-liter Advance container creates faster, smoother pours resulting in time and cost savings along with improved customer experience
- ≈2.3 HP motor is designed to resist overheating when blending extra-thick ingredients, resulting in cooler operation and enhanced reliability during peak hours
- Sturdy controls provide improved grip

Red motor base available in select markets

Includes Drink Machine Advance with 1.4-liter high-impact, clear/stackable Advance container, complete with Advance blade assembly and lid, and black or red base.
